

We have had members aged from eight to

The Club actively encourages competition with many members competing in both Field Archery and Target Archery. A number of our members have been medal winners at national Competitions.

Organization

The club is run by a committee of nine elected volunteers who help guide the club and organize various events throughout the year.

Beginning Archery

We run beginners courses two to three times per year. Courses are run by qualified coaches in accordance with NFAS guidelines, and typically consist of four sessions, held weekly on a Saturday or Sunday morning .

Family friendly archery in west Devon. For those interested in Target or Field Archery. We are one of the oldest clubs in the South West.

Tavistock Company of Archers is a family orientated club, affiliated to the NFAS (National Field Archery Society) and Archery-GB. The club has a thriving membership, with age, ability or disability being no barrier in the participation of this engrossing sport! Club meetings are relaxed and sociable, but with safety in mind at all times.

Types and Styles

We welcome all types of archery, both target and field, and all bow styles, from the traditional long-bow, Olympic recurve, to modern compound bows.
