COMPANY OF  
ARCHERS

## Christmas Dinner—December 2006

The Christmas dinner was an excellent affair and rounded off nicely a good year for Tavistock Archers. It was with great pleasure that the committee awarded John Crick & his Wife Joyce with honorary membership. John has been a dedicated member for many years, always turning up to help cook if he couldn't actually shoot. The "Golden Butt" awards provided some of the evenings entertainment, with some memorable inclusions. If you didn't get to hear some of them, ask Fred about the goldfish.

## Pontivy:

The **Annual Archery Twinning (Jumelage)** shoot with our Friends in Pontivy is set for the weekend of **24th to 28th May 2007**, leaving on 11:30 Thursday and returning 4:30 Monday. This is the **Tenth Anniversary** of these twinning events and thus represents a milestone that we would like to celebrate in style. Anyone who was there at the first shoot in 1998 would be particularly welcome.

Anybody who would like to go to shoot and celebrate should give their names to **Lez by Jan 20th** All styles, ages and abilities required.

Robin is starting a savings club to help folks put a some money aside regularly to help spread the cost.

**Scores:** It is encouraging to see several folks have set new personal best scores during this indoor season, there have even been a few club records broken. Please keep handing your scores to Nigel or putting them in the blue box for collection. Summaries will be available at the end of the season.

**Help:** We have a number of shoots this year, with the Devon & Cornwall GNAS field champs, our own NFAS field shoot and the prestigious South West Challenge. These all require quite a bit of hard work from members of the club, but are in the long run very profitable. To keep your own membership costs down it is important that you as a member help with the setup and running of these events.

The NFAS is running a coaching course in Devon during April & May. Those who would like to help with coaching within the club are welcome to give their names to Les or Mike. The club will contribute towards costs for those that pass the course and use the skills gained to help the club in the future.

**Comments:** If you have any comments, views, items you would like included, suitable jokes, or equipment for sale, for the next newsletter in January then drop a note to Nigel or Sandi at the Club or send an email to [news@tavistock-archers.org.uk](mailto:news@tavistock-archers.org.uk)
