July 28th—South West Challenge setup

July 29th—Helpers from the Club Shoot the Course

July 30th & 31st—South West Challenge Field Shoot

Sept 9th—Pre-Champs Practice Field Shoot—Faces

Dec 8th— Xmas Dinner—Blacksmiths Arms, Lamerton

**South West Challenge** We are helping with two of the eight days of the World Famous South West Challenge. (Previously The Devon Challenge) This will require quite a bit of hard work from members of the club, but are in the long run very profitable. To keep your own membership costs down it is important that you as a member help with the setup and running of these events.

Anyone helping with the setup on Saturday July 28th will be able to do the practice shoot of the Field Course on Sunday 29th July.

On the Monday & Tuesday we do need marshals to help with the car parking, so even if you can only help for part of the day, please come along.

**Safety:** Please remember the new rules regarding use of the whistle on the shooting line. One whistle to start shooting, two whistles to stop or all clear. Please also remember that it can be very dangerous to adjust other peoples equipment without their involvement. Always check before touching someone else's bow.

**For sale:** Cannon Powershot S2IS compact DLSR camera. 5 mega pixels 12x optical zoom with 512 megabyte memory card. inclusive of instructions and soft ware. £130.00 For details see Sandi

A Double-decker:

Lez & Sandi both receive their certificates as NFAS Coaches following training courses and exams in May & June. Our congratulations to them both.

## **Pontivy:**

This years twinning between Tavistock and Pontivy was one of the best ever. The ferry crossing was smooth in both directions. The host families generous as usual, with much food, wine and hilarity (and sabotage). The round we shot on the Saturday caused some confusion, so we let the French win this year. (But not by much). On the Sunday many of us were taken for a lakeside walk, a visit to a craft market at a local abbey and a tour of a reconstructed medieval village. There were many notable interludes, some of them even repeatable. (Peter being the exception as usual.)

**AGM:** There was a disappointing turnout to this years Annual General Meeting at the Red & Black club in June. Various matters involving the running of the club were discussed, including voting for the new committee: Chair-Mike Charlesworth, Secretary-Sandi Cackett, Treasurer-Robin Booth, Events-Lez James, Other members, Myles Singleton, Nigel Cammann (Records), Andy Brown (Equipment), Carolyn Bennett (Archives), Dave Crick (WebSite).

Minor changes to the clubs constitution were approved. Thankfully the club is in a healthy financial situation and membership fees will be kept the same for the third year running. Well done to all those who managed to turn up and take part.

The club website has recently been re-vamped [www.tavistock-archers.org.uk](http://www.tavistock-archers.org.uk) thanks to Dave Crick. Any articles, pictures, comments, please pass on. We are always on the lookout for new material.

**Comments:** If you have any comments, views, items you would like included, suitable jokes, or equipment for sale, for the next newsletter in January then drop a note to Nigel or Sandi at the Club or send an email to [news@tavistock-archers.org.uk](mailto:news@tavistock-archers.org.uk)
